

SMARTHINKING ENRICHMENT SOFTWARE

How to Add SmarThinking to your course in Blackboard as a Tool Link

1. Please review the screenshots to guide you through the process for adding Smarthinking to your course.

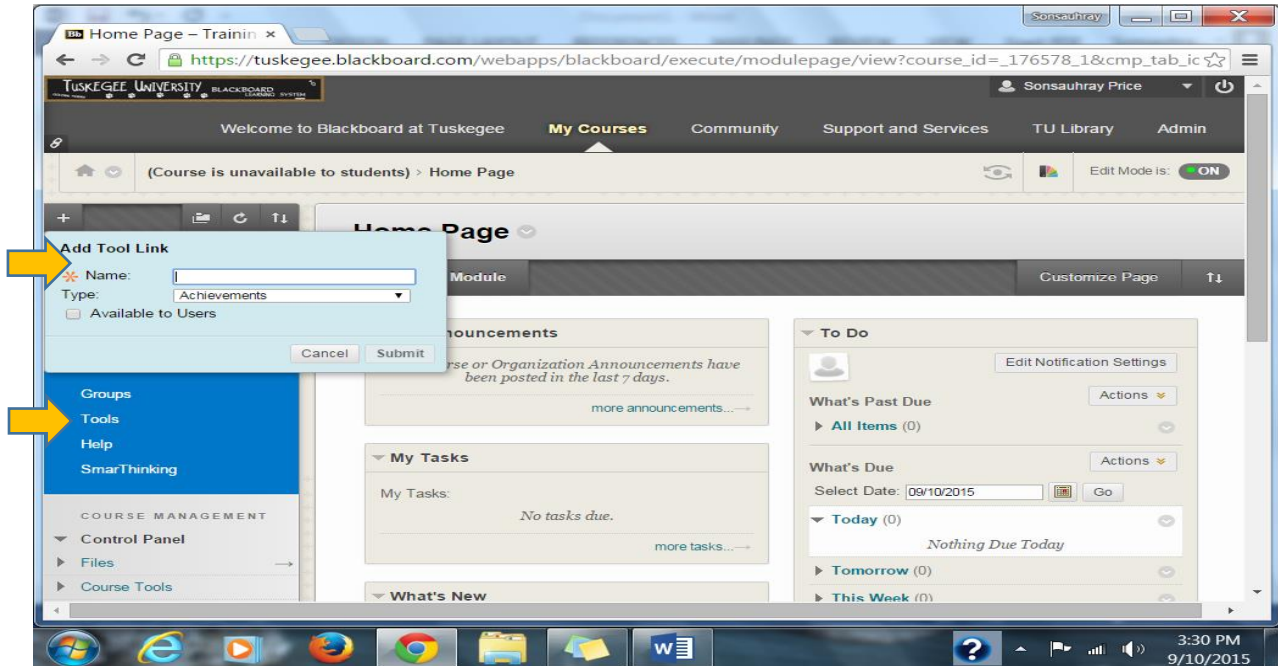

2. Go to your desired course and click on the + symbol top left.

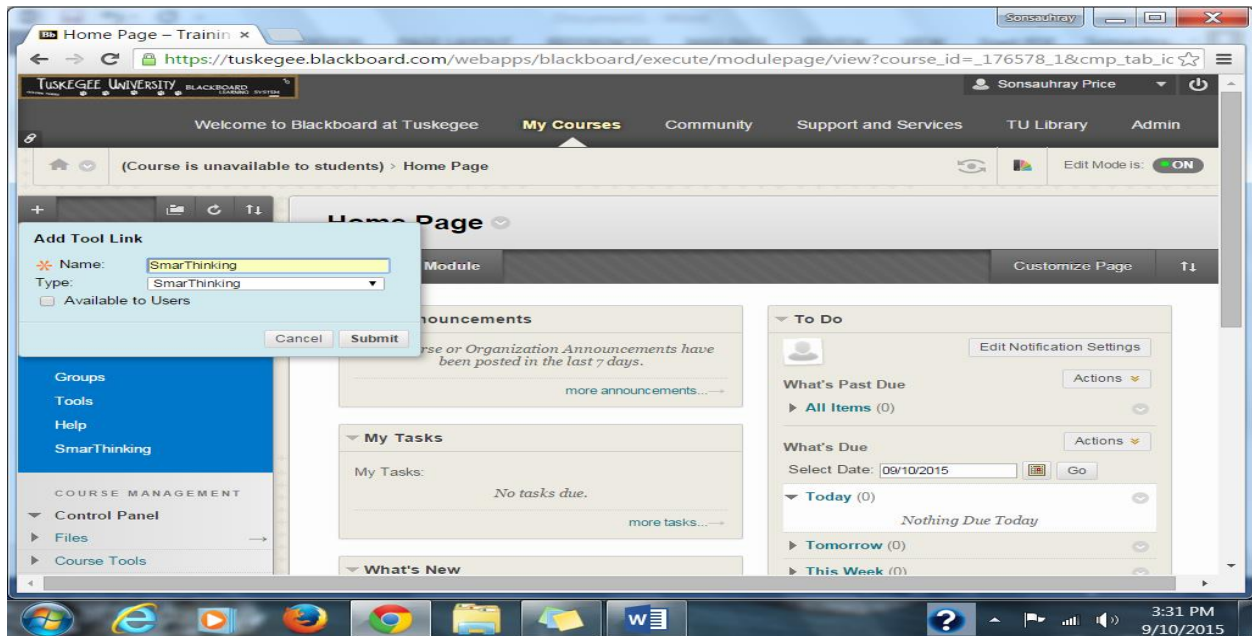

Tuskegee University
Tuskegee-Center for Academic Excellence and Innovative Learning (T-CAEIL)

3. Select Tool Link

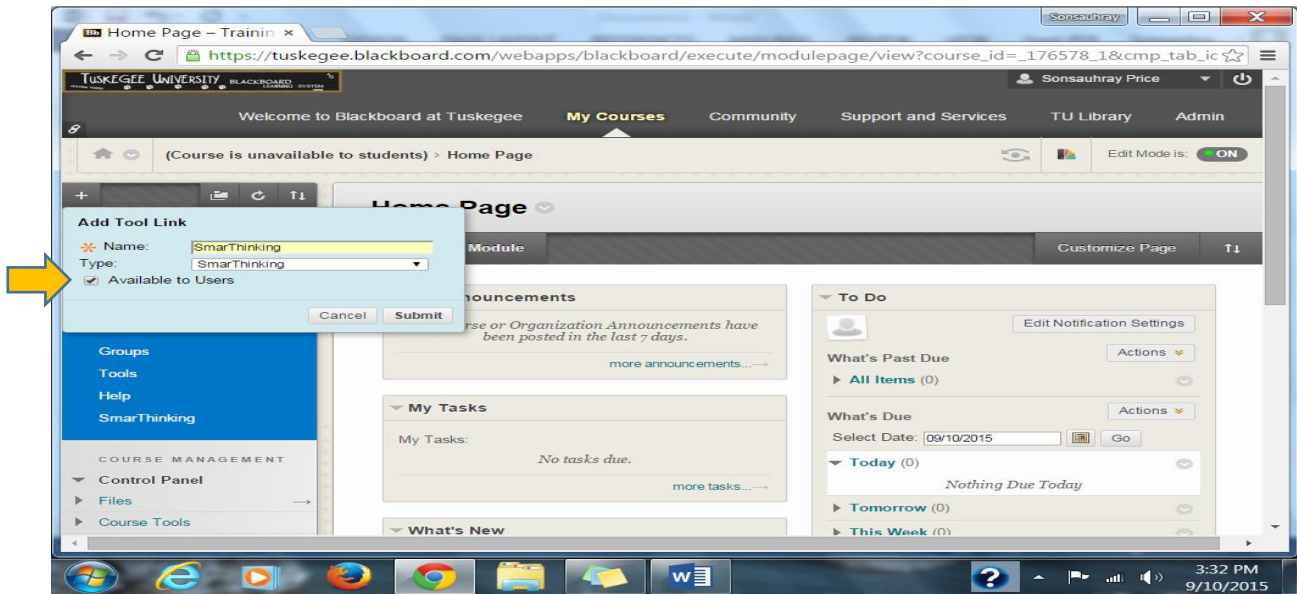

4. Type SmarThinking as the Name.

5. Click on Available to Users.

Tuskegee University
Tuskegee-Center for Academic Excellence and Innovative Learning (T-CAEIL)

6. Make sure to test it with a student after making Smarthinking available in Blacboard.

If you have any additional issues, please send them to: softwareassist@mytu.tuskegee.edu.
