

Tuskegee University

T-CAEIL offers

PLATO[®]
COURSEWARE

Online courseware
to meet your needs

PLATO Courseware is a standards-based online learning tool that's grounded in a tradition of solid research, sound pedagogy, and applied innovation. Plato solely produces computer-based tools for writing, mathematics, science and much more. If you are interested in using the tool to assist your students with extended learning beyond the classroom, please contact us for additional information.
